FACEBOOK OCR SEARCH

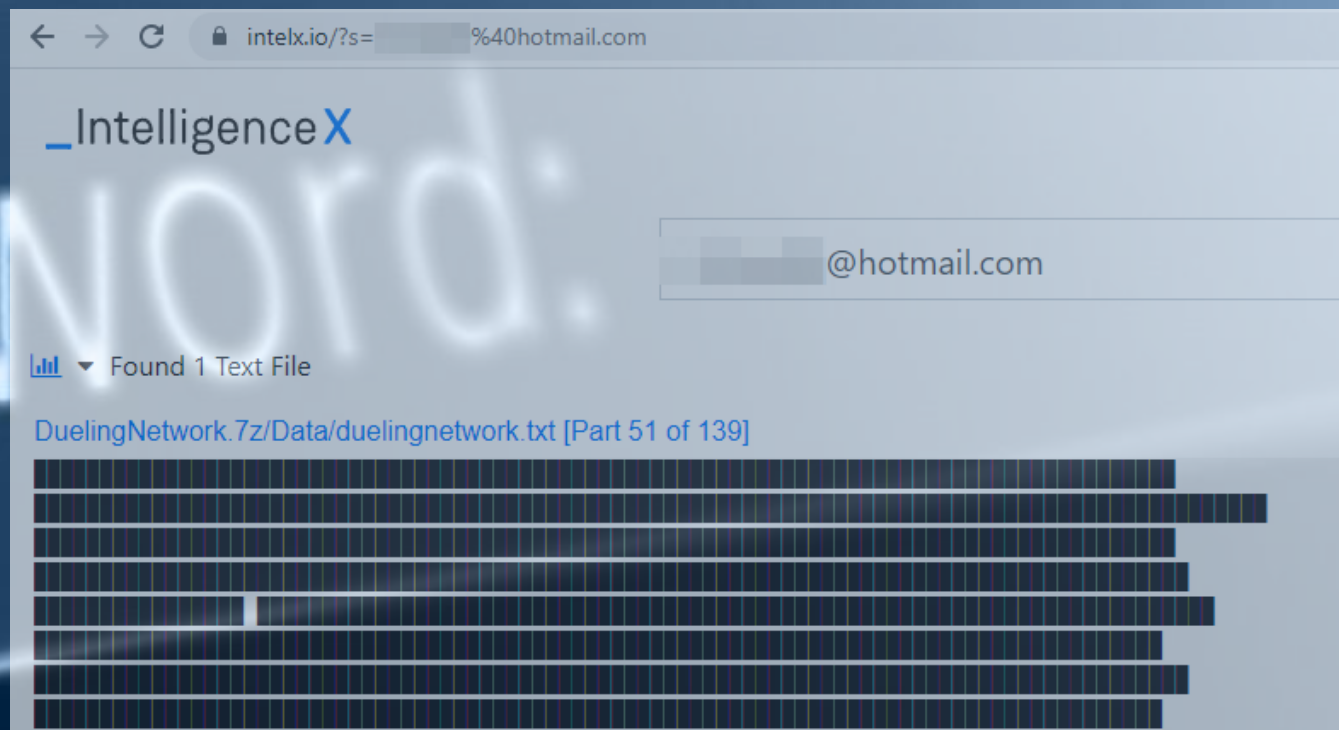

A screenshot of a Facebook search interface. At the top, the search bar contains the text "AA". Below the search bar, the page is titled "Resultados da pesquisa". On the left side, there is a "Filtros" (Filters) menu with the following options: "Tudo", "Publicações", "Pessoas", "Fotos" (highlighted with a red box), "Publicado por", and "Tipo de foto". The main content area displays a grid of search results. The first row includes an advertisement for "matricula 2020" with a car image, a yellow advertisement for "NOVA MATRÍCULA AO MILÍMETRO" with a license plate image, and an advertisement for "Up! Motors I" with a car image. The second row includes another yellow "NOVA MATRÍCULA AO MILÍMETRO" ad, a photo of a hand holding a white bottle with a panda face, and an advertisement for "CHAPAS MATRÍCULA" with a car image. The background of the screenshot is a dark blue grid of binary code (0s and 1s).

3 Steps to better security [Start using 1Password.com](#)

Step 1 Protect yourself using 1Password to generate and save strong passwords for each website.

Step 2 Enable 2 factor authentication and store the codes inside your 1Password account.

Step 3 Subscribe to notifications for any other breaches. Then just change that unique password.

[Why 1Password?](#)

Breaches you were pwned in

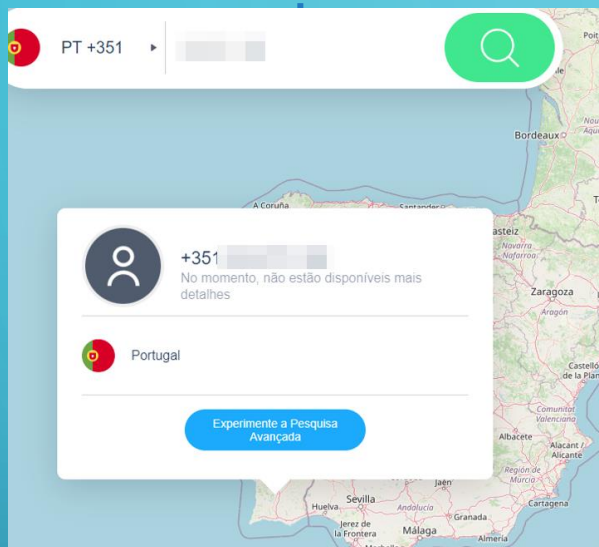

A "breach" is an incident where data has been unintentionally exposed to the public. Using the 1Password password manager helps you ensure all your passwords are strong and unique such that a breach of one service doesn't put your other services at risk.

TAP **TAP Air Portugal:** In August 2022, the Portuguese airline TAP Air Portugal was the target of a ransomware attack perpetrated by the Ragnar Locker gang who later leaked the compromised data via a public dark web site. Over 5M unique email addresses were exposed alongside other personal data including names, genders, DoBs, phone numbers and physical addresses.

Compromised data: Dates of birth, Email addresses, Genders, Names, Nationalities, Phone numbers, Physical addresses, Salutations, Spoken languages

A 3D bar chart with a dark background. The chart features a central peak of tall, red bars, with the height of the bars decreasing as they move away from the center. The bars are arranged in a grid-like pattern, creating a sense of depth and perspective. The overall aesthetic is modern and data-driven.
